THE SANVILLE INSTITUTE
FOR CLINICAL SOCIAL WORK AND PSYCHOTHERAPY

THE SANVILLE INSTITUTE FUND

Your investment in The Sanville Institute Fund affirms your commitment to the common
good, to the tradition of academic excellence and ethical leadership, and to social justice,
inherent values in our professional tradition.

Your contribution helps to ensure that promising students who need financial support
have access to this unique education in clinical social work and psychotherapy while also
providing the Institute with the flexibility to meet emerging needs and sustain excellence.

In staying current with changing technologies, developing curricula, and meeting the
needs of all populations, both short- and long-term funding is critical. Your gift in any
amount to The Sanville Institute Fund—our unrestricted fund—supports the Institute’s
most pressing needs.

Giving to The Sanville Institute Fund directly assists students by:

- Providing scholarship and financial aid for students
- Funding innovations in teaching and research
- Enriching student experiences, such as online library databases, guest lecturers,
  and convocations
- Supporting technological innovations
- Ensuring the highest standards in graduate education through accreditation
